

1976-1977 GREEK FRIEZE

UNIVERSITY OF MARYLAND
COLLEGE PARK 20742

VICE CHANCELLOR FOR STUDENT AFFAIRS

OFFICE OF GREEK LIFE
454-2736

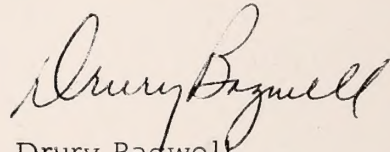

Greetings to the Greek Community -

We are pleased to write this introductory letter for the Frieze. More than an "annual" of the Greek system, the Frieze represents a growing and strengthening community at the University of Maryland. The concern expressed by each chapter member for not only his or her chapter but also the entire Greek system is the backbone of this community spirit. This yearbook is a symbol of that concern.

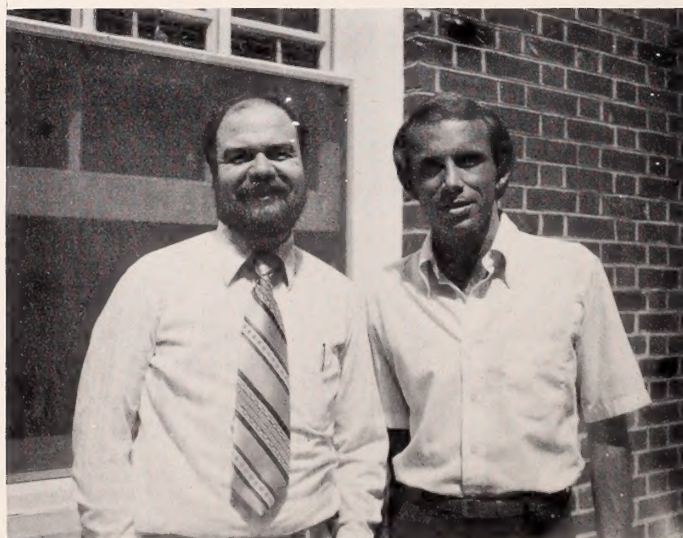

This year has seen the Greek system build to a total membership of 2,300 people in 51 chapters. The Frieze makes it possible to review the events and people who have made this a most memorable year for all us. We sincerely hope that each of you will build on these experiences to enjoy continued success and happiness.
